No part of this e-book may be reproduced, resold or circulated in any form without the written permission of the publisher, except brief quotations for review or teaching with credit to the author.

Rules change. Check before you pay. This book explains procedure as understood from the public documents listed in the Sources chapter, read up to November 2026. Seller terms, MSTC procedures and auction catalogues change often, and the document attached to your own tender or catalogue always overrides this book. Nothing here is legal, tax or investment advice for your specific case, and nothing here is an official publication of MSTC Limited or of any seller named.

MSTC, Coal India, BAANKNET, PSB Alliance, the ministries, banks, forest departments and other bodies named are mentioned only to describe them. This is an independent work, not an official publication of any of them. Icons: Lucide (ISC licence). Typeface: Inter (SIL Open Font License).

Preface 8

Recommendation: who should read this book, and how 9

PART I · THE WHOLE TRUTH 11

1 **MSTC is the auctioneer, not the seller** 12
Who MSTC is 12
Who does what 14

2 **The six markets: one portal, six rulebooks** 16
Choosing the right registration 17

3 **The whole truth: who makes money and who does not** 19
Three numbers that tell the truth about auctions 19
Where buyers actually lose money 20
Scams happen around MSTC, not on it 21
Who succeeds 22

PART II · GETTING READY 24

4 **Registration, documents and your setup** 25
Register as a buyer, in the right category 25
Registration fees vary by category and change over time 26
Documents 27
Your machine and your digital signature 28
Licences: no licence, no bid 28
