Rules change. Check before you pay. This book explains procedure as understood from the public documents listed in the Sources chapter and from the live GeM portal, read up to 18 November 2026. GeM policies, the GTC and bid documents change often, and the document attached to your own bid or order always overrides this book. Nothing here is legal, tax or investment advice for your specific case, and nothing here is an official publication of Government e Marketplace (GeM) or of any buyer named.

GeM, the ministries, departments, CPSEs and other bodies named are mentioned only to describe them. Screenshots of the public pages of the GeM portal (gem.gov.in and its sub-sites) were captured by the author's team on 18 November 2026 and are reproduced for education and commentary, with credit to GeM. This is an independent work, not an official publication of any of them. Icons: Lucide (ISC licence). Typeface: Inter (SIL Open Font License).
